

# National Digital Library Project

- first „mass digitization“ project of the Czech heritage institutions
- funded by EU Structural Funds, under Integrated Operational Programme
- budget – 11,5 Mio EUR
- project partners – National Library of the Czech republic and Moravian Library Brno
- project goals:
  - digitization of a significant part of the Bohemica of the 19th–21st centuries (till 2014 at least 26 Mio pages and 100 000 volumes)
  - the long-term preservation of documents in a reliable digital repository
  - making digital documents accessible

# National Digital Library Project

- current state:
  - 10,2 Mio pages digitized
  - almost everything public available
  - 55 employees
  - capacity of the digitization line is used for more than 100%
  - still a lot of things to do:
    - software updates
    - business continuity planning
    - all systems tuning
    - marketing
    - connection to European initiative
    - etc.
    - etc.
    - etc.

# Copyright Issues

- based on the Copyright Law – statute 121/2000
  - 70 years after the author's death respectively 70 years after the death of the longest surviving author
- 70, 100, 140 principles:
  - 70 - public domain 70 years after the author's death
  - 100 - anonymous works that are clearly more than 100 years old and which were reviewed to recognize the author or date of his death
  - 140 - more than 140 years old works can be assumed that they are free (70 years Copyright, 70 years as the average human life expectancy)
- real practise:
  - 1880 – monographs
  - 1890 – periodicals
  - exceptions – important newspapers
    - reviewed monographs
